PICKS OF THE WEEK

Read of the Week

The eighth novel by Don DeLillo, [White Noise](#) is an example of postmodern literature. It is widely considered DeLillo's "breakout" work and brought him to the attention of a much larger audience. Time included the novel in its TIME 100 Best English-language Novels from 1923 to 2005.

Movie of the Week

Follow in the inspirational footsteps of six talented ballet dancers (ages nine to nineteen) as they struggle to maintain form in the face of injury and personal sacrifice on their way to one of the most prestigious youth ballet competitions in the world in [*First Position*](#), a feature length documentary about a love of dance and a drive to succeed that trumps money, politics and even war.

Album of the Week

Taking Up Your Precious Time is the first full-length album by American electronic music artist [Pretty Lights](#), and includes "Finally Moving", a popular fan-favorite.

Website of the Week

[TreeHugger](#) is the leading media outlet dedicated to driving sustainability mainstream. Partial to a modern aesthetic, we strive to be a one-stop shop for green news, solutions, and product information. We publish an up to the minute blog, weekly and daily newsletters, twice-monthly radio interviews, and regularly updated Twitter and Facebook pages.
